phone number: (03) 9013 0449

(i) Incentive selection

This section is to be completed by the lot owner, noting that Part A is provided to all lot owners through all design stages and as part of the DRC's design review process. If you wish to activate Part B, Building Inspections, please make sure that you have ticked the relevant box. Part B can be activated at any time, although to be effective this should be before construction of your home has commenced.

Date

Lot No.

Name

Email
